FRATERNITY HANDED JOLTS IN WINDY CITY

Ray Schalk Signs Contract and Archer Is Given Cut.

Chicago, Jan. 19.—Two severe jolts were handed the Baseball Players' Fraternity today.

Ray Schalk, star White Sox catcher, and member of the fraternity, signed a contract for the season, and President Weegman, of the Cubs, sent a contract for less salary to Jimmy Archer, who previously returned unsigned a contract for \$4,000.

"I'm a member of the fraternity," said Schalk, "but my loyalty is with Comiskey and the White Sox. I propose to stand by him, and believe that this sentiment is general on the team."

If the fraternity follows its action in the Schalk case it will suspend Weegman. President Weegman, in sending a new contract to Archer, said he has "been made a goat," and announced he will take the same action with other players as he did with Archer, should they make it necessary.

A Few Who Will Not Strike

New York, Jan. 19.—Numerous interviews given out from the fraternity side would indicate that the ball players are lined up solidly to enforce the demands for minor league reforms. A list of a few American leaguers who will answer first orders to the training camps gives an idea of the "solid front" in the ranks of the players.

The list is not a complete one, even of American leaguers who will not strike, but it shows just a part of the strength which the club owners do not have to worry about. While minor leaguers and leaguers of the big show attend the strike meetings these players sit back and calmly await orders to report in the South. Here are a few who will be ready when called, strike or no strike: Tyrus Cobb, Tris Speaker, George Steller, Eddie Collins, Frank Baker, Walter Johnson, Sam Crawford, Babe Ruth, R. Peckinpaugh, Stuffy McInnis, Joe Jackson, Clyde Miller, L. Numamaker, Ernest Shore, Ernest Koob, Lee Magee, Steve O'Neill, Sam Agnew, Bob Hawkey, Eddie Foster, Joe Judge, Bobby Roth, Ray Chapman, Elmer Myers, Fritz Malsb, Joe Benz, Frank Gluskey, Ray Caldwell, Oscar Stange, Ray Schalk, Ray Fisher, Ray Morgan, Charles Mullen, Terry Turner, Lawton Witt, John Lawton.

BOXING FEATURES

MOHAWK SMOKER

A well-balanced athletic entertainment was presented two hundred friends and members of the Mohawk Athletic Club last night when the annual smoker and entertainment was held in the club rooms at 1520 Pennsylvania avenue southeast.

Three boxing bouts and two wrestling exhibitions were carded and furnished just enough competition to put the evening on its feet. In the first boxing bout "Red" Schofield, known for his gridiron powers, mixed things over a four-round go with "Nig" Hayden, the stocky little catcher of the "Indians," while Young "Dixie" Dumas, the middleweight champion, went three rounds with his sparring partner, Young Hickey.

WALLACE BEATEN BY WALTZ AT BILLIARDS

In the pocket billiard tournament at the Grand Central Palace last night for the District title, between J. N. Waltz and Walter Wallace, the former won 10 to 9.

Wallace, the present title holder, was not in good form, giving way to Waltz in his first game of the tournament, but in his next start will give a better account of himself.

Y. M. C. A. Boys Win Again.

The "Y" squad made it five straight last night at the Boys' Building by defeating the High School quint of the Scholastic League by the score of 27 to 12. Line-up and summary:

DAVE FULTZ CLAIMS A SURPRISE FOR MAGNATES

New York, Jan. 19.—In answer to statements made by many prominent baseball magnates to the effect that the stars of the game will stand by their employers, Dave Fultz, of the Players' Fraternity, said today the magnates are due to get a big surprise.

LOCAL COLLEGE FIVES GET ACTION TONIGHT

Georgetown Plays Hatchettes at "Y" While Gallaudet Plays Catholic U. at Kendall Green.

One of the best cards in the collegiate basketball schedule tonight, when Georgetown meets George Washington at the Y. M. C. A. and Catholic University meets Gallaudet at Kendall Green.

The contest between Gallaudet and Catholic University will start at 8:15 o'clock, whereas the game between Georgetown and George Washington will not start until after the George Washington girls and Holton School team has completed their game.

Georgetown has so far this season succeeded in defeating every opponent who has visited the Ryan gym. This team is one of the best combinations seen at Georgetown in several years.

The Hilltoppers possess a team in Cashlin, O'Leary, McNulty, Fee, and O'Boyle which are good basket shooters, and are as good as any team seen around Washington at passing the ball.

C. U. vs. Gallaudet.

A good game should be witnessed between the Kendall Greens and the Brooklanders, as neither team has done much so far this season.

Coach Rice of the Catholic University quint, has had trouble in getting a combination which could work together, but from late reports he has succeeded in rounding into shape a team which will carry away the long end of the score.

FIELDING YOST IS A VISITOR HERE

Fielding H. Yost, who made football history at Lafayette some years ago and who has been showing the Eastern teams a few new "hurry up" tricks with his Michigan University eleven for the past few years, was a visitor here yesterday afternoon.

Yost, an Arbor football tutor was here on business and would do but very little talking on the gridiron game, but he boldly stated that in his opinion "Jackie" Maubetach, the human bullet of the Michigan eleven, was the greatest player of modern football.

Bankhart Quits Colgate.

Hamilton, N. Y., Jan. 19.—With definite knowledge that Larry Bankhart has decided not to coach next year, the Colgate student body is busy speculating on who will be the gridiron mentor next fall.

The most likely man for the post is Speers, former Dartmouth and American guard. Bankhart has recommended Spears, and it is understood that if Spears is chosen Bankhart will act in an advisory capacity.

Simpson to Race.

Columbia, Mo., Jan. 19.—Robert Simpson, of the Miners, and John Calhoun, of the Barons, are still dicker for an exchange of the services of the two out-fielders. Del Drake and Dave Callahan, Drake does not want to play in Wilkes-Barre any more and is not averse to toiling for Scranton; with Callahan it is just vice versa. The deal will not be completed finally until Drake is through appealing his case against the Barons owners to the National Commission.

Corey Wins at Squash.

New York, Jan. 19.—Allan Corey, of Yale, defeated his clubmate, Otis Guernsey, the noted football player, in the semi-final round of the Class B national squash tennis tournament at Columbia Club courts. The former won in three games, 15-8, 6-15 and 15-4. In the same round I. H. Cornell, of Columbia, eliminated J. Hoyt, of Princeton Club, in straight games, 15-5 and 15-8.

Says Cubs Will Have Players.

New York, Jan. 19.—In the opinion of John A. Heydler, secretary of the National League, the fraternity chief made a poor selection in the Chicago Cubs as a source of the integrity of players. Fultz, the manager of the Cubs, said that the movement would be shown on February 20, the date set for the departure from Chicago to California of the Cubs for spring training.

Cardinals to Hold Meeting.

Alexandria, Va., Jan. 19.—The annual meeting of the Cardinal Athletic Club will be held at the Washington Hotel, Sunday evening at 7:30 o'clock.

All members of the Cardinals residing in Washington are requested to leave for Alexandria on the 7 o'clock train.

Want to Stop Denver Bouts.

Denver, Jan. 19.—A bill was introduced in the legislature yesterday which is destined to prevent boxing contests like the Welsh-White contest last Labor Day. The bill would terminate the practice of licensing clubs to stage "boxing contests" and already has a statute against "prize fights."

Columbia to Play Yale.

New York, Jan. 19.—Columbia and Yale will clash at Morningside Heights tonight in the first basketball game of the season between the two colleges. Yale, Pennsylvania and Princeton are tied for first place in the Intercollegiate League. Columbia has won from Cornell and lost to Pennsylvania.

CENTRAL HIGH FIVE BEATS BUSINESS TEAM

Manual Trainers Trim Eastern Quint in Final Game.

Central High sprang a surprise in the High School Basketball League yesterday, when they defeated Business 25 to 21 after an extension of play of two five-minute periods. Tech had its hands full in the nightcap game in getting the large end of the score from the scrappy Eastern team 16 to 9.

Daley, who played left forward for the Blue and White team, was responsible for his team's victory over the Orange and Blue quint. After missing three attempts to win the game for Central by shooting goals from the foul's circle, he came back strong by caging two baskets from midcourt in the last minute of play. Daley scored seventeen of his team's points and also played a good passing game.

The Orange and Blue played the Blue and White lads off their feet in the first half, which ended 15 to 8 in their favor. Central came back strong in the last half and held the stenographers to one field goal and scored enough to tie its opponents 17 all.

Both teams entered the extra five minutes of play with a rush which brought the crowd to its feet. Both Daley and R. Wise had chances to win the game for their team by free tossing, but both failed.

In the last five minutes of play Ready shot a goal from the floor, which looked to be enough to win, but Daley surprised the crowd by caging two difficult goals from the court which won the game.

Solomon put up a good game for Central while R. Wise did the best all-round work for his team.

In the nightcap the Manual Trainers strengthened their bid for the title by defeating the boys from Captain Hill. Both teams displayed the best basketball in any game played so far in the series.

Tech owes its victory mainly to the close guarding of its two guards, D. Pfeiffer and Schneider, who guarded their men so closely that neither one shot a goal from the floor. They broke up many good chances Eastern had of scoring.

Tech guarded so close in the first half that Eastern did not get a goal from the court, but in the last half the Captain Hill quint managed to make three goals by this route.

The work of Newman and Thomas was the best for the losses. The summary:

Drake to Be Traded.

Scranton, Jan. 19.—Manager Bill Coughn, of the Miners, and John Callhoun, of the Barons, are still dickering for an exchange of the services of the two out-elders, Del Drake and Dave Callahan. Drake does not want to play in Wilkes-are any more and is not averse to tolling for Scranton, with Callahan it is just a vice versa. The deal is not yet com-pleted finally until Drake is through ap-ealing his case against the Baron own-ers to the National Commission.

DONOVAN IS OPTIMISTIC.

Smiling Bill Sure Players Will Report for Spring Training.

New York, Jan. 19.—Bill Donovan, manager of the Yankees, is convinced that the great majority of major league players still unsigned will be lined up before it is time to leave for the South.

"At the suggestion of Ben Johnson," said Will Donovan yesterday, "the two major leagues are just about to take a stand. They should have assumed years ago. They are going to ignore the fraternity head, thought not the players themselves, if they appear individually or in committee."

Machinists engaged on fine work now make use of magnifying mirrors so as more carefully to watch the progress of the operation.

Drake to Be Traded.

Scranton, Jan. 19.—Manager Bill Coughlin, of the Miners, and John Calhoun, of the Barons, are still dicker for an exchange of the services of the two out-fielders. Del Drake and Dave Callahan, Drake does not want to play in Wilkes-Barre any more and is not averse to toiling for Scranton; with Callahan it is just vice versa. The deal will not be completed finally until Drake is through appealing his case against the Barons owners to the National Commission.
